FUN AND FREEDOM

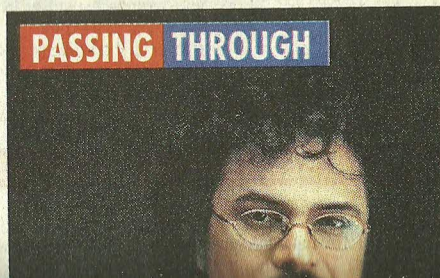

It was an evening for guests to put on their best suits to celebrate the American Independence day and the Southern Star award celebrations organized by the Indo American Chambers of Commerce. The evening saw a performance by Live Wire — a three-member band fronted by vocalist Joan — and a dance performance by Ethereal Dance Troupe. The live cooking stations were a great hit. Everyone loved the multi-cultural feel of the evening and seemed reluctant to head home after the festivities.
